Dear Physiotherapists,

John Ross Insurance is very pleased to offer a special insurance program specifically designed for you.

We are a full service brokerage since 1928 with an abundant experience in commercial program businesses. We specialize in developing and offering tailored products for Canadian Physiotherapists and other specialty markets.

We have partnered with one of the leading insurers in Canada, The Economical Insurance, to offer physiotherapists access to a cost effective and comprehensive insurance solution specifically designed to meet the needs of physiotherapists.

We take pride in knowing our clients and working with them to help manage their business risk exposures. Minimizing loss severity and loss frequency will help keep your insurance costs in check and protect your business assets.

Please feel free to contact us for a no-obligation quote.
